## COUNTRIES OF COOPERATION

Algoos takes you further than any other company in the world. Our aim is to create a worldwide network of Recruitment and Travelling agencies that will share the same objectives and beliefs and revolutionize the youth work and travel market around the 5 continents of the world.

## EARNINGS

Through Algoos your profit is higher than any other company, we work on 50-50 basis. We are building a network with universities, employers, agencies and candidates from partners around the world. All the programs and candidates are on Algoos.com. You simply offer candidates a wide variety of programs they choose and we do the rest.

If you have vacancies to cover the method is exactly the same you post the description and the requirements and we send you lists with candidates that would like to work and travel to your destination.

Our 24-7 Customer service lines are there to help the most demanding clients resolving problems at a glance.

## WHY ALGOOS

Through Algoos Network you will become part of a vast amount of recruitment and travelling agencies giving us the chance to create our own packages increase our profit and shape our services the way we want. By targeting the youth travelling market you are targeting one of the biggest and less exploited target groups in the travelling industry.

Certainly your Agency will have representatives worldwide allowing you to offer better customer services increase your brand name & make us a leader in the Youth work and travel industry.

Through our program you keep the services you already have and you add more that increase your target market for more sophisticated travelers that know what they want. You targeting young travelers that can become loyal to your agency in the years to come remembering the first exciting opportunity you offer them to see the world.
